

The Deal of the Decade

10 Year Warranty on Speed Queen

In a recent survey by Consumer Reports, Speed Queen was recognized for being Number One in Reliability among all major appliance brands.

To celebrate this accomplishment, we are offering consumers the Deal of the Decade (or maybe the century) with a **10 YEAR PARTS AND LABOR FACTORY WARRANTY!**

This is a limited time offer and an incredible offer.

1. Consumer must purchase a Speed Queen washer, dryer and/or stack washer/dryer from July 15 through September 30, 2019. New units only and must be purchased from an authorized Speed Queen dealer (USA)
2. Consumer must take delivery no later than September 30, 2019
3. Consumer **MUST** register the unit(s) for warranty within 60 days of purchase at SpeedQueen.com. Late submissions will only receive the standard warranty of 3, 5 or 7 years
4. When registering, consumer **MUST** include the special promotion code supplied by the dealer at time of purchase

Washer and/or dryer must be for residential use only. Eligible models are TR, DR, TC, DC, FF and SF models. All other conditions of the Speed Queen warranty bond apply. See dealer for details or go to speedqueen.com to see the warranty document.

Below please find the promotion code that the dealer will need to give to customers who buy Speed Queen. The customer will need to enter this code at warranty registration in order to get the special warranty.

Promo code: **SQ10YEARS**

The reason it was not included in the original bulletin is because that one could be e-mail to a prospective consumer by a dealer. That is OK but we wanted to make sure that the only way the customer gets the promo and the code is by visiting with an authorized SQ dealer. Please make sure your salesforce has shared this code with SQ dealers. Thanks and enjoy your weekend, Jay
