No more than one appliance from the countertop microwave, over-the-range microwave, or ventilation category will be eligible for the rebate (i.e., if you purchase two eligible microwave ovens or an eligible microwave oven and an eligible hood, only one of these would count toward the rebate). Dishwashers do not qualify as a choice in a 2-piece package and a maximum of 2 dishwasher units per claim in packages of 4 or more. If purchasing a Commercial-Style Range, only one (1) additional \$500 bonus is allowed. If purchasing a wall oven and cooktop, only one (1) additional \$200 bonus is allowed. This rebate cannot be combined with any other GE Appliances package rebate offering that includes identical appliance models. Rebate is applied instantly at checkout in Electronic Express stores. Rebate is available only on appliance packages during online checkout.

You must be at least 18 years old at time of purchase. You represent that you have purchased at least two (2), and up to eight (8) new, qualifying Café appliances (see eligible models below) for personal use and not for resale. Limit one (1) rebate claim per household. Multiple sales to apartments, builders, condominiums, subdivisions and wholesalers do not qualify. Offer excludes "as-is" only resellers.
